Batch No:

Best Before:

Immunity Fuel is manufactured via a multistage fermentation process using a mixed population of naturally occurring lactobacillus bacteria and yeasts. The fermentation 'pre-digests' the complex food and energy sources maximizing the availability and absorption of nutrients and their energy value.

Once the balance of good bacteria has been restored and vital nutrients replaced, the body has an amazing ability to heal itself.

PROBIOTIC STRAINS:

- Lactobacillus acidophilus
- Lactobacillus helveticus
- Lactobacillus leichmannii
- Lactobacillus delbruekii
- Saccharomyces boulardii
- Bifidobacterium bifidum
- Lactobacillus bulgaricus
- Lactobacillus caucasicus
- Lactobacillus plantarum
- Saccharomyces cerevisiae
- Lactobacillus casei
- Lactobacillus lactis
- Lactobacillus fermenti
- Lactobacillus brevis
- Bacillus coagulans

Each batch is independently tested to ensure high numbers of LIVE, active, beneficial bacteria are present.

DIRECTIONS:

½ teaspoon per day for one week then increase to 1 tsp per day. Blend with cold water, juice, smoothies or sprinkle on cool food.

Store in a cool dry place.

NO ARTIFICIAL COLOURING, FLAVOURING OR PRESERVATIVES.
NO GENETICALLY MODIFIED INGREDIENTS. 100% GLUTEN FREE.
